The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to any Owner, the maximum annual assessment shall be \$225.00 per Lot. Upon completion, annual HOA dues will be increased to \$450.00 per lot beginning the following January after completion. The homeowners of Pecan Grove Subdivision, Johnston County, which is a Lawrence Land community, will be entitled to join the pool facility provided the

homeowner pays a Pool Fee to the Homestead Farm HOA which fee is not to exceed the annual HOA dues for Homestead Farm HOA and further provided the Pecan Grove homeowner utilizing the pool facility abides by rules and regulations established by the Homestead Farm HOA.

Section 5. Notice and Quorum from Any Action Authorized Under Section 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than fifteen (15) days, nor more than sixty (60) days, in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast thirty percent (30%) or as otherwise set forth in the bylaws of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. This procedure shall continue until a quorum is reached. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

Section 7. Date of Commencement of Annual Assessment: Due Dates. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the date due at the rate of eight percent (8%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessment thereafter becoming due or from the lien thereof.

ARTICLE V ARCHITECTURAL CONTROL

No building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing by Declarant or Board of Directors of the Association during the first five years, or by the Board of Directors or an architectural committee composed of three (3) or more representatives appointed by the Board after the first five years.
